Please give a detailed description as to the nature and location of modifications.

Provide the following required items for the CLHA's review:

1. A photo of the front of your home is required.
2. If work is being done in back of home, a photo of the back of the house and a photo facing the back yard are required.
3. If changing exterior paint/color changes, samples with the brand and color for each location.
Samples must include color swatches from the manufacturer for each item.
For example:
 - a) trim, gutters, garage door, deck, shutters, front door
 - b) metal or shake roof
 - c) siding, shingles, brick
4. For roofing applications, please provide the following:
 - a) brand/type: _____
 - b) shake color: _____
5. Scale drawings of vertical or horizontal additions and elevations
6. Catalog copy or photographs of play sets, flagstone, rock, edging, and any other manufactured items
7. Plat of your lot/site showing current structure including driveway, porches, decks etc., along with dimensions and location of proposed changes
